Hillsborough County Mini Grant Update – Operation Community Glow

I am excited to report that Operation Community Glow project has begun. COVID-19 and getting LOA signed delayed the process, but finally letter was signed in June. Project needs to be completed no later than July 30th in order to submit project final completion paperwork along with paid receipt for reimbursement.

Funding for this project was made possible by Hillsborough County Board of County Commissioners (BOCC). In addition to BOCC funding, the Children's Board of Hillsborough County prioritizes neighborhood projects that concern child safety and well-being.
