OCTOBER 2018 COMMITTEE REPORTS

Common Grounds

The tree that had fallen on fence at dam was removed. Although, there is damage to fence where tree fell. The West dam entrance fence pole is loose. Needs to be replaced or new cement poured. Three copper plants replaced at West entrance.

Newsletter

October newsletter published. Posted on Shadow Run website and communicated on Community Facebook page. Highlights include features on volunteer and board member spotlights. Check it out!

Content for next newsletter is due on November 19th.
